****Core Classes:** In the above curriculum, there are certain classes that must be completed (and cannot be substituted for other classes) in order to graduate from the program. These classes are marked off in the above syllabus with a double asterisk (**). These classes are considered core classes because they are essential and compulsory requirements for graduation from any recognised Bible college program.

Non-Core Classes: In the above curriculum, there are certain classes that can be substituted for other equivalent courses of a similar subject and of the same number of credits. These equivalent classes may be selected from the electives mentioned below.
